### **Pre-Diabetes Risk Test**

For each question, write the score that goes with your answer in each box. Your Lifestyle Coach will add up the points and talk to you about next steps.

# Prediabetes Risk Test

| 1. How old are you?  | Write your score in the boxes below | Height |                             | Weight (lbs.     | )          |
|--|-------------------------------------|--------|-----------------------------|------------------|------------|
| Younger than 40 years (0 points)   | the boxes below                     | 4'10"  | 119-142                     | 143-190          | 191+       |
| 40-49 years (1 point)  |                                     | 4'11"  | 124-147                     | 148-197          | 198+       |
| 50-59 years (2 points)<br>60 years or older (3 points)   |                                     | 5'0"   | 128-152                     | 153-203          | 204+       |
| A STATE OF THE STA |                                     | 5'1"   | 132-157                     | 158-210          | 211+       |
